(PRIOR ART)

This cross-sectional view shows a substrate with multiple layers. A base layer (209) is at the bottom, with a patterned layer (209a) on top. Above this is a layer (209b) with a central opening (209c). A thick layer (210) covers the top, with a patterned layer (211) on top. A layer (212) is on top of 210, with a patterned layer (213) on top. A layer (214) is on top of 213, with a patterned layer (215) on top. A layer (217) is on top of 215, with a patterned layer (212) on top. A layer (201) is on top of 212, with a patterned layer (207) on top. A layer (204b) is on top of 207, with a patterned layer (212) on top. A layer (208a) is on top of 204b, with a patterned layer (208b) on top. A layer (202b) is on top of 208b, with a patterned layer (201) on top.
